We are pleased to introduce a new option for the placement of cremated remains. The Rock of Ages unit is made of Canadian Granite and contains four rows with four niche units in each row. Each niche is 12"x12"x14 "deep and capable of holding two urns of a limited size. Only containers that fit the niche space may be used. The engraving of the granite door covering the niche is included in the purchase price.

For further information on this option please contact McPhail Cemetery.
